20th Pan-Hellenic Conference on Informatics (PCI) with International Participation

November 10th – 12th, 2016 Patra, Greece

<http://pci2016.teiwest.gr/>

The Greek Computer Society (GCS/ΕΠΥ), the Technological Educational Institute of Western Greece and the Department of Computer and Informatics Engineering of the Technological Educational Institute of Western Greece organize the 20th Pan-Hellenic Conference on Informatics (PCI 2016) in Patra, Greece, on **November 10th – 12th, 2016**.

PCI 2016 aims to provide an **effective channel of communication** among researchers (universities, research and development centers, start-up centers and incubators), practitioners (SME leaders and managers), decision-makers (government, ministries and state agencies) and entities concerned with the latest **research, scientific development and practice** on ICT in order to discuss current, state-of-the-art topics that are of relevance and significance for national competitiveness as well as for sustainable, robust and equitable regional development.

PCI 2016 will be organized in **four tracks**: the research papers track, the research projects results track, the special sessions track and a track dedicated to national, large scale R&D infrastructure. PCI encourages the submission of high quality papers describing original and unpublished results of conceptual, empirical, experimental, or theoretical work in all areas of Computer Science.

Topics of interest include (but are not limited to):
